

PREMIER FARM CREDIT ONLINE ACCESS AGREEMENT

This Online Access Agreement (“Agreement or OLA”) governs the online access and use of Premier Farm Credit’s (“Farm Credit”) system. This system allows customers the ability access their Premier Farm Credit account to perform a number of functions through the use of a personal computer or, for some functions, a mobile device.

Your initial and continued online access, or online access authorization to others (“Non-Customer Users”), constitutes your acceptance to be bound by all of the terms and conditions of this Agreement, and acknowledges your receipt and understanding of this Agreement.

Your online access may be affected by other agreements between us for your linked Farm Credit accounts. When online access to an account is granted, you do not change the agreement you already have with us for that account. In the event there is an inconsistency between this agreement and any other agreement between you and Premier Farm Credit, Premier Farm Credit will determine in its sole discretion which agreement dictates.

DESCRIPTION OF ONLINE ACCESS

(1) ACCESS AND ENROLLMENT. The Customer and Farm Credit staff will determine which access level (View Only, Transacting, Business Access or Non-Borrower User) (collectively referred to as an “Access Level”) would work best for the customer and their needs, then use the appropriate enrollment form to get the customer signed up for access. Once the enrollment form is verified for accuracy and authorizations, an individual Online Access User ID (“OLA User ID”) and Password (“Password”) will be provided to the customer. Farm Credit will link all of the eligible Farm Credit accounts to the OLA User ID.

(2) ACCESS HOURS. The Online Access System can be accessed 24 hours a day, seven days a week, although occasionally some or all of the Online Access System may not be available due to emergency or

scheduled maintenance. We agree to post notice of any extended periods of non-availability on the Online Access System website. Transactions initiated through the Online Access System before 3:00 p.m.

Mountain Standard Time ("MST") on a business day will be processed by Farm Credit that same business

day. Transactions completed after 3:00 p.m. MST on a business day, Saturday, Sunday, or holiday, will

be effective on the next business day.

(3) ADDITIONAL NON-CUSTOMER USERS. Under some account plans, the customer may authorize

Non-Customer Users to have account access and control their scope of activities by designating an Access. The Customer warrants and guarantees all information obtained using the Non-Customer User's assigned OLA User ID and Password is authorized. If a Non-Customer User has access to the customer's line of credit, the customer remains solely responsible for repayment if any credit is extended. Authorizing a Non-Customer User will make the customer financially liable for all unauthorized access, losses, or misuse of the customer's account until reported to Farm Credit. If a Non-Customer User becomes no longer authorized to access account information, the Customer has the obligation to inform Farm Credit of such change.

PASSWORD AND SECURITY

You will be required to change your Password the first time you log in to the Online Access System. You

determine what Password you will use. For purposes of security, we recommend you create a Password

that utilizes both upper and lower-case alpha and numeric characters. Your Password should not be

associated with any commonly known personal identification, such as social security numbers, addresses, date of birth, names of children or names of pets. Your OLA User ID and Password information should not be shared. If someone else needs online access to Farm Credit loan and account information, please have him/her contact Farm Credit to enroll and obtain access with their own OLA User ID and Password.

You agree to establish prudent security standards and policies that include proper safeguards to protect

the confidentiality of all OLA User IDs and Passwords assigned to you for access to this system. You are

responsible for taking reasonable precaution to prevent unauthorized access to your computer or mobile device by maintaining a secure computing environment to include installing and maintaining up to date antivirus and firewall software. We recommend against the use of the Online Access System at computers located at public locations or the use of unsecured computers or wireless networks.

Any transaction initiated or authorized using a valid combination of OLA User ID and Password will be

considered authentic, valid and binding. You will immediately notify us and select a new Password if

you believe your Password may have become known to an unauthorized person and/or if you believe any of your information or Farm Credit accounts have been compromised. **Farm Credit will have no liability to you for any unauthorized payment or transfer made using your Password that occurs before you have notified us of possible unauthorized use and we have a reasonable opportunity to act on that notice.** We may suspend or cancel your access even without receiving such notice from you, if we suspect any of your linked accounts are being used in an unauthorized or fraudulent manner. If your account has other authorized users, all borrowers are responsible for all transactions performed by those authorized users. If you notify us the person is no longer authorized, then only transactions that person performs after the time you notify us are considered unauthorized.

Upon three (3) unsuccessful attempts to use your Password, your access to the Online Access System will be locked. To re-establish your authorization to use the Online Access System, you must contact us to be unlocked and if needed, have your Password reset.

ONLINE ACCESS SERVICE CHARGES

A. MONTHLY SERVICE CHARGE. You agree to pay the Online Access System fees and charges as set forth in the current fee schedule.

(4) OTHER CHARGES. In addition to the fees already described in this Agreement, you are also responsible for normal account fees and services charges, your telephone and internet service provider fees, your wireless carrier fees, your computer firewalls and virus protection software costs, excess transaction fees and any non-sufficient funds fees, returned item, overdraft or similar fee.

(5) AGREEMENT TO DEDUCTION. You agree all such fees and charges mentioned above will be deducted from your Farm Credit loan account or paid in advance to Farm Credit.

ONLINE ACCESS TRANSACTIONS

A. TRANSFER/PAYMENT AUTHORIZATION AND SUFFICIENT AVAILABLE FUNDS

- Any advance from your loan account must be made in accordance with a previously established

line of credit and is subject to all the terms and conditions of the loan as described in the loan legal documents or letters of understanding.

- You authorize Farm Credit to withdraw, debit, or charge the necessary funds from your designated loan or account in order to complete all of your designated transfers and payment.

- You agree you will instruct Farm Credit to make a withdrawal only when a sufficient balance is

or will be available in your loan or accounts at the time of the withdrawal.

- The completion of a transfer or payment is subject to the availability of sufficient funds at the

time the transaction is posted. If enough funds to complete the transfer or payment are not

available, Farm Credit may either (i) complete the transaction and overdraw the account, or (ii) refuse to complete the transaction. In either case, we may charge a non-sufficient funds, returned item, overdraft, or similar fee.

- Farm Credit is under no obligation to inform you if it does not complete a payment or transfer

because there are non-sufficient funds or credit in your account to process the transaction. In this case, you are responsible for making alternate arrangements or rescheduling the payment or transfer within the Online Access System.

(6) CANCELLING TRANSFERS AND PAYMENTS. Farm Credit's role is limited to presenting a payment

order, as a sender to the receiving bank, and then making funds available to be transferred under that

payment order. We are not a bank, and we do not directly transfer or receive funds. This role greatly

limits our ability to respond to stop payment requests and changes in instructions. However, you can

cancel one-time future dated and recurring transfers prior to midnight ET on the date prior to processing for the transfer that is scheduled to be initiated through the transfer page. If you direct us to begin processing a transfer immediately or a transfer's status is "process" or "processed," you no longer have the right to cancel it.

INTERNAL TRANSFERS

Internal Transfers allow you transfer funds from one Premier Farm Credit loan or account to another Premier Farm Credit loan or account. Funds can only be transferred from accounts that have available lines of credit. Funds will be applied according to loan terms on the loan they are being transferred to.

EXTERNAL ACH TRANSACTIONS

External ACH transfers allow you to perform limited transfer funds to and from your Farm Credit business loans or Funds Held account(s). External ACH transfers are available only between your loan

account(s) used primarily for business purposes and your bank accounts at depository financial institutions ("DFI") used primarily for business purposes. External ACH transfers are not available to

transfer funds to or from a loan primarily for a consumer purpose, or to or from a primarily personal/nonbusiness DFI account. Your loan or DFI account is for a consumer purpose if it is primarily for personal, family or household use. If you received a Truth in Lending Disclosure before your loan closed, it is a consumer purpose loan. Your loan account and the DFI account must be in the same or similar name(s).

Depending upon when your External ACH transfer request is submitted to us, your transfer will be initiated either that day, or the next business day. Initiating an External ACH transfer means we request

the transfer of funds through the Automated Clearing House (“ACH”) system. Generally, you may expect that your ACH transfer will be completed within one to two business days after initiation. The transaction is completed when the funds are actually deposited in the destination account. When transferring funds to an external account, please consult your depository financial institution’s funds availability policy to determine their restrictions on funds transfers and when the funds are available for your use.

BILL PAY TRANSACTIONS

A. **BILL PAY TO VENDORS.** As part of Farm Credit Online Access Services, you can enroll in Bill Pay. You can schedule payment of your periodic bills, and arrange for the payment of current, future, and recurring bills from your Farm Credit loan. Payments will be made per your instructions, through the third-party bill pay vendor. Each person using Bill Pay will have his/her own Bill Pay User ID and Bill Pay Password which is to be kept secure and confidential. Note, due to the limitations of the Bill Pay system, each user will only see the vendors and transactions they have created. Two users in Bill Pay on the same loan will not see each other’s vendors or transactions in Bill Pay however they will be able to view these on their loan in Online Access. Payments made through Bill Pay will be charged to the specified loan and repayments fall under the terms and conditions established for that loan.

B. **BILL PAY TO GOVERNMENT AGENCIES.** Payments can be made to any government agencies; however, Farm Credit does not have the ability to research any issues that may arise due to the government’s strict adherence to the Consumer Privacy Act. Farm Credit will not be responsible for any late fees or penalties that may be incurred by these types of payments.

C. **BILL PAY LIMITATION OF LIABILITY.** Any payments made through Bill Pay require sufficient time for your payee to credit your account properly. To avoid incurring a finance charge or other charge, you must schedule a payment far enough in advance of the due date of your payment. Farm Credit shall not be responsible for any changes imposed or any other action taken by a payee resulting from a payment that you have not scheduled properly, including any applicable finance charges and late fees. In addition, Farm Credit will not be liable if any third party through who any bill payment is made fails to properly transmit the payment to the intended payee. Farm Credit will not be liable for delays or losses of payments caused by any delivery service. Farm Credit will not be liable if there are insufficient funds or credit availability in your designated payment account and/or overdraft plan; if any legal order directs us to prohibit withdrawals from the payment account; if the payment account is closed or frozen; or if any part of the electronic funds transfer systems is not working properly. Farm Credit will not be liable for bill payments not completed due to circumstances beyond our control (such as fire, telecommunication outages, strikes, or natural disasters). Farm Credit will not be liable for indirect, special, or consequential damages arising out of the use of Bill Pay.

MOBILE APP

Most services that can be accessed online via desktop or laptop computer can also accessed on apple and android devices. The mobile app for Premier Farm Credit must be downloaded. The same

OLA User ID and Password can be used and no additional enrollment is required. All terms and conditions of this agreement apply to access and transactions conducted through your mobile device.
